FILMOGRAPHY

WRITER, PRODUCER & DIRECTOR

Behind The Sea (2024), Documentary - Producer

Behind the Sea is a short documentary film that discusses the issue of fisherman regeneration on Depok Beach, Yogyakarta, through the perspectives of a young fisherman named Bagas and a senior fisherman, Mr. Dar.

Behind the Sea received an incentive grant of approximately USD 1,000 from the National Research and Innovation Agency (BRIN) to support archiving and outreach related to environmental, social, and cultural issues in Indonesia.

Heaven Pass (2024), Fiction - Writer

Heaven Pass is a short film about Alif, a young man who believes that he can enter heaven through an express route. However, he is ultimately denied entry because what he believes and practices turns out to be wrong.

The film has been screened at several student film screenings and was officially selected for the Bandung International Student Film Festival (BISFF).

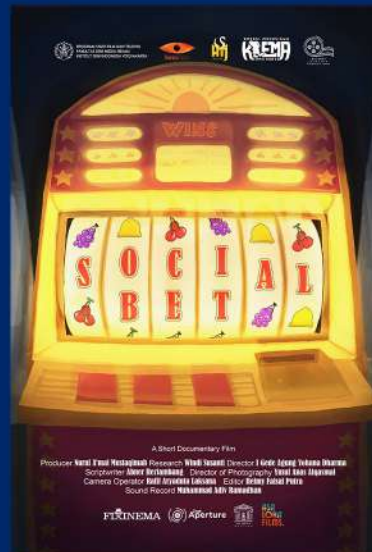

Budiono and His Australia Dream (2023), Fiction - Director

Budiono is a father who seeks a better life by working in Australia. He promises a sweet dream to his child, but because he does not have an academic certificate, he forges one. This decision ultimately leads to his arrest, leaving behind an illusory dream for both himself and his child.

Social Bet (2022), Documentary - Director

Sadam is a chronic online gambler who has repeatedly fallen into debt amounting to millions of rupiah. He eventually realizes that gambling is merely an illusory pleasure and an endless cycle with no true escape.
